

Croydon Apprenticeship Week

Student Video Competition

Win £100

Send a short video telling us why you love being a Croydon College Apprentice to be in with a chance of winning a £100 voucher!

National Apprenticeship Week is taking place from Monday 8 February to Sunday 14 February 2021.

National Apprenticeship Week 2021 aims to shine a light on the amazing work being done by employers and apprentices across the country. The Week will also recognise how employers of all sizes have stepped up to the challenge during this unprecedented time.

The theme for National Apprenticeship Week 2021 is “Build the Future” as we encourage everyone to consider how apprenticeships can help individuals to develop the skills and knowledge required for a rewarding career, and employers to build a workforce with future ready skills.

We are running a variety of fun activities across the week to celebrate National Apprenticeship Week, including a social media campaign whereby we post videos of current Croydon College Apprentices telling us why they love their role.

To enable this to happen, we are running a competition for current Croydon College Apprentices to send us a short 60 second video telling us what they love about being a Croydon College Apprentice. The competition will run between Monday 25 January and Wednesday 3 February so we are able to promote the videos across National Apprenticeship Week.

Students need to start their video with one of the following sentences...

One of my favourite things about being a Croydon College Apprentice is.....

Being a Croydon College Apprentice has helped build my career by.....

What I enjoy most about being a Croydon College Apprentice is..
