# APPRENTICESHIP WEEK 8TH - 12TH FEBRUARY

Apprenticeship Week is a great opportunity to find out about Apprenticeships and how they can support your next move from College.

Our internal Apprenticeship Team is based in Croydon College and can help with applications plus you can view all their live vacancies [here](#). The Careers Team in Coulsdon Sixth Form College are also on hand to help with applications, offering support where you need it.

There are other places you can research apprenticeships.

Use the [Amazing Apprenticeships](#) website to find out how your course subjects could link to the apprenticeships which are available, view vacancies and more details on how to apply.

## WHAT IS AN APPRENTICESHIP?

An apprenticeship is a chance to earn while you learn. You will be an employee while gaining certified qualifications in your chosen field.

Check out these interviews from UCAS, The Financial Times and Amazing Apprenticeships which will provide an overview of degree apprenticeships and how they compare to the traditional route of a university degree.
