The Next Generation

University Taster Week

Monday 10 May - Friday 14 May 2021

Welcome to Croydon University Centre's Taster Week. Whether you're still looking for the perfect University course or have already secured your place with us, I'm delighted you have joined us this week to find out more about our fantastic range of courses, and what it's like to be a student at Croydon University Centre.

During the week, you will get a real taste of what's on offer at Croydon University Centre. Each day, you will have an opportunity to explore a different subject – be it Business, Engineering, Nursing or Childhood and Public Health. You will also have multiple opportunities throughout the week to chat to our Admissions, Finance and Student Services teams at our Advice and Support drop-in sessions. We look forward to welcoming you to Croydon University Centre.

MIEMIE NEETHLING-TAYLOR
Head of Higher Education

All our virtual events are FREE to attend via Zoom.

Monday 10 May →

Monday 10 May

BA Public Health & Social Care

with Programme Lead Dr Pauline Aweto

10:30am-12pm

Break the ice with other students in a team activity. Take part in a mini lecture focusing on the contextualisation of Public Health and write a personal statement on why you'd like to study Public Health and Social Care. You will have the opportunity to meet Dr Pauline Aweto, Programme Leader and Public Health Researcher.

[Book place →](#)

BA Early Childhood Studies

with Programme Lead Lisa Fitches

12:30pm-2pm

The session will look at theories on child development and will look at how children develop holistically. We will also explore the role of an Early Years Practitioner and the legal requirements of observing, assessing and planning for children's learning and development. This will be linked to both academia and professional practice.

Advice & Support drop-in

2pm-3pm

Find out how to make an application, funding support and other student support needs.

[Book place →](#)

Tuesday 11 May

BSc Adult Nursing

with University of Roehampton lecturers

10am-11.30am

Let us help you decide – join us for a discussion about the BSc Adult Nursing course at Croydon University Centre. To help you make your choice, we will also provide a taster session on critical thinking and decision making.

Why Croydon University Centre?

Here are a few reasons to choose to study with us.

The Cultural Offering

The University Centre is situated opposite Boxpark at the heart of the town's cultural quarter.

Location

We are in the centre of Croydon, south London's most vibrant borough.

Smaller Class Sizes

We pride ourselves on providing smaller class sizes, which is different from other universities.

Transport Links

The University Centre is conveniently close to East Croydon station and on the town's tram network.

Career Focussed

We are committed to improving your career opportunities.

Learn from Industry Experts

Our courses are taught by well qualified experts and are committed to ensuring you reach your potential.

Best Value

Our degree programmes, validated by the University of Roehampton, are competitively priced and lead to great employment prospects.

As Individual as you are

Everything at the University Centre is designed around you as the student.

Great Facilities

We offer a state-of-the-art Learning Resource Centre and library, lecture theatres and social learning spaces.

Student Support

Feeling you belong here matters. Our student support team is on hand to help you progress your career.
