1. INTRODUCTION

1.1 Legal Framework

The Corporation was established by the Further and Higher Education Act 1992. The precise legal framework under which the Corporation operates is detailed in the regulations commonly known as the Instrument and Articles of Government.

Due to the status of a Further Education College as an exempt Charity, the Members of a Further Education Board of Governors are also governed by Charity Law, in their role as Charity Trustees (Charities Act 2011).

The Board of Governors has the powers to set up subsidiary companies without seeking consent from the Funding Agency, within guidelines set out in policy provided by the Funding Agency. The rules of Company Law, as set out by the Companies Act 2006) shall also apply to these Companies.

1.2 Interpretation

These Standing Orders and Board Procedures supplement the Instrument and Articles of Government. The ruling of the Chair, at any meeting, as to the particular interpretation of any of these Standing Orders and Board Procedures shall be final and shall not be challenged by the meeting. The role of the clerk is to advise the Chair on any interpretation.

1.3 Clerk to the Governors

The Governing Body's principal advisor on the interpretation of the Instrument and Articles of Government and the Standing Orders and Board Procedures shall be the Clerk appointed by the

Governing Body to undertake that role. The Director of Governance is the Clerk to the Governing Body. Notwithstanding any other senior management role the person appointed as Director of Governance may have in the College, in undertaking the duties of Clerk, they remain directly accountable to the Governing Body and not to the Principal or to any other member of the College's management.

2.THE CONDUCT OF GOVERNORS

2.1 Code of Conduct

The Governing Body has adopted a Code of Conduct as a benchmark for its members on the standards expected of them and to assist them in carrying out their duties in accordance with the recommendations of the Nolan Committee on Standards in Public Life. The Governing Body's policy is that rather than individual members signing a copy of the Code, in accepting appointment to the Governing Body members are deemed to subscribe to and observe the Code to the best of the members' abilities. This requirement shall be referred to in each appointment letter and a copy of the Code enclosed with the formal appointment documents.

2.2 General expectations of conduct

Members of the Board of Governors have been appointed to serve in the expectation that they will:

- Participate fully in the work of the Board of Governors;
- Demonstrate a high level of commitment to the College's vision and values;
- Operate within the governance framework of the College

Responsibility for the appropriateness of conduct as a Governor of a corporate body and for any act or omission in that capacity rests with the individual Member.

Every Governor shall be bound by these Standing Orders

2.3 Standards of public life and code of conduct

Governors owe a fiduciary duty to the College. This means that they should show it the highest loyalty and act in good faith in its interests. Members are expected to adhere to the Seven Principles of Public Life, as recommended by the Nolan Committee's report, "Standards in Public Life", for those holding public office. These are provided in full at Appendix A.

2.4 Independence and Other Interests

Decisions made at meetings of the Board of Governors and its Committees must be for the benefit of the College as a whole and not for any improper purpose, or for personal motive. The "benefit of the College" can be taken to mean, first and foremost, the interests of its students and other users of the College's services, and must not allow any sectional interest to take precedence. In particular Members are not appointed as "representatives" or "delegates" of any outside body, and may not lawfully be bound by mandate given by others.

Governors must seek to avoid putting themselves in a position where there is a conflict of interest (actual or potential) between their personal interests and their duties to the Board of Governors. An "interest" means anything financial or any other interest which, if publicly known, could be perceived as being likely to affect a Member's independent judgement.

Governors who have an interest in the matters relating to the Institution cannot vote on any question with respect to it nor may they be counted towards quorum for the issue. They are not however excluded from the meeting unless the Board of Governors votes to exclude them

Governors must not receive gifts, hospitality or benefits of any kind from a third party which might be seen to compromise their personal judgement or integrity. Any offer or receipt of gifts, hospitality or benefits made to a Governor in their capacity as Governor, exceeding an estimated £25 in value, should immediately be reported to the Director of Governance in line with the College's Anti-Bribery Policy.

The Director of Governance maintains and updates annually a Register of Interests, which is open for public inspection. Governors are required to disclose routinely to the Board all interests, financial or otherwise, which they or (so far as they are aware) their spouses, partners, children or other close relatives may have, for entry on the register. Governors should inform the Director of Governance whenever their circumstances change and interests are acquired or lost.

2.5 Collective Decision Making

The Board of Governors operates by Members taking majority decisions at quorate meetings. Therefore, a decision of the Board, even when it is not unanimous, is a decision taken by the Members collectively and each individual Member has a duty to stand by it, whether or not they were present or agreed with it when it was taken.

If a Member disagrees with a decision they may request that their disagreement be minuted.

It is important that the Board of Governors and its Committees have full and frank discussions in order to take decisions collectively. To do so, there must be trust between Members with a shared corporate responsibility for decisions and due respect for the opinions of all Members. Dependent upon the nature of the business under discussion, Members must keep confidential any matter which the Board considers to be confidential.

2.6 Communication on behalf of the Board

Unless otherwise agreed by the Board of Governors in individual circumstances statements on behalf of the Board will only be made by the following:

- the Chair and Vice Chair
- the Principal and Chief Executive or their representative
- the Director of Governance

It is the responsibility of the Director of Governance to conduct all correspondence on behalf of the Board and to respond to correspondence from staff, including representatives of the staff. This will be undertaken following consultation with the Chair of the Board and/or the Principal and Chief Executive.

It is unethical for Members to publicly criticise, canvass or reveal the views of other Members, which have been expressed at a meeting of the Board or its committees.

2.7 Attendance

All members are expected to attend meetings of the Board of Governors and any committee of which they have membership to the best of their ability. Members will also be allowed to attend committees of which they are not a member, with the consent of the relevant Chair. The Board of Governors recognises that all members are volunteers and that there will be times when individuals' attendance may vary. Members are asked to give the Director of Governance as much notice as possible if they are unable to attend a meeting. This ensures that apologies for absence are registered at the meeting and allows the Director of Governance to judge if the meeting will be quorate.

The Director of Governance maintains a record of attendance by all members. A report on Members' attendance will be produced annually by the Director of Governance and presented to

the Search and Governance Committee of the Board of Governors. Individual attendance is reported in the Annual Report and Financial Statements as a Funding Agency requirement.

The Board of Governors has determined a performance indicator for attendance of 80% of eligible members for all formal meetings. Average attendance for individual Governors is also aimed to be at least 80%.

Where a Governor's attendance departs significantly from this target, the Director of Governance will report to the Chair of Governors. The Chair will make a judgement on whether it is necessary to speak to the Governor, taking into account known or contributory factors. If, after meeting, there continues to be no improvement in attendance, a report may be made to the Search and Governance Committee.

In accordance with the provisions of the Instrument and Articles, any Member who has not attended meetings for more than six consecutive months without permission of the Board of Governors may be removed from office by decision of the Board of Governors.

3.5.6 Where there is a vacancy in the office of Chair following the resignation or removal of the current Chair, the Governing Body shall go out to external advert for the new Chair. For the avoidance of doubt where the current Chair is to be reappointed for a second term of office external advert is not required.

3.5.7 Where a decision is made for go out to external advert for the position of Chair, this does not preclude current members of the Governing Body from also applying for the position of Chair in accordance with that external advert. All applications for the role of Chair shall be assessed by the Search and Governance Committee and recommended to the Corporation for appointment in accordance with Instrument 5(1).

3.5.8 In respect of the external advert for the position of Chair, the Director of Governance shall determine where the position shall be advertised and shall draw up a timetable for such advertisement and appointment so as to ensure that the procedure is completed in a reasonable time.

5.4.1.1 it is not possible to arrange a special meeting of the Governing Body; and

If a meeting becomes inquorate the Director of Governance shall immediately inform the Chair.

Such motion, if seconded, shall be put and determined without discussion. If passed, the named governor will be asked to comply with the Board's decision.

6.1.6 The Chair may at any time adjourn a meeting of the Board. The decision of the Chair in this matter shall be final and shall not be open to discussion.

6.2 Voting

6.2.1 It shall not be a requirement for all decisions taken at a meeting to be decided by a formal vote. The Chair of the meeting shall normally ask the meeting for their agreement to the proposal in question at the conclusion of a discussion.

6.2.2 Where there is a clear expression of different views or where a matter is of particular significance, (for example, approval of the Annual Report and Accounts), the Chair shall call for a vote.

6.2.3 Should an individual member of the Governing Body request a vote on a particular issue, this must be agreed by the Chair.

6.2.4 Unless determined otherwise by the Chair, voting shall be by a show of hands.

6.2.5 Any member dissenting from the majority view of the meeting shall have the right to their disagreement to that decision being recorded in the Minutes.

6.3 Declaration of Interest

6.3.1 At meetings of the Governing Body and the Standing Committees an item shall be included on the Agenda to enable members to declare an interest, either financial or personal, on any matter to be considered at the meeting.

6.3.2 No resolution of the Governing Body may be rescinded or varied at a subsequent meeting unless consideration of the rescission or variation is a specific item of business on the Agenda for that meeting. Any proposal from a member of the Corporation to rescind a previous decision of the Corporation or a Standing Committee must be notified to the Director of Governance at least fifteen days before the date of the meeting at which it is proposed that the decision should be reconsidered.

6.4 Chair's Conduct of Business

6.4.1 A meeting of the Governing Body or a Standing Committee may bring a motion of censure on the Chair in respect of the conduct of business, but no such motion shall have the effect of negating or cancelling a particular decision or ruling of the meeting or the Chair.

6.4.2 A motion of censure on the Chair may not be made during debate on an agenda item but shall be taken as the next matter of business.

6.4.3 In such circumstances the Vice-Chair of the Governing Body or Committee shall assume the Chair whilst the motion of censure is debated.

7. PROVISION OF INDEPENDENT ADVICE

The Director of Governance is authorised to seek independent professional and legal advice on behalf of the Governing Body to ensure that Members are able to carry out their duties properly.

8. COMPLAINTS AGAINST THE GOVERNING BODY

8.1 A complaint against the Governing Body, a member of the Governing Body or the Director of Governance may be made by an individual, a business or an organisation

8.2 Complaints against the Governing Body or a member of the Governing Body must be made in writing and addressed to the Director of Governance. The complainant shall be expected to state clearly the nature of the complaint and if appropriate provide copies of any related documentation.

8.3 The Director of Governance shall:

- acknowledge receipt of the complaint without delay
- investigate the complaint
- endeavour to provide a response within ten working days and if this is not possible, provide the complainant with an interim statement

8.5 A complaint against the Director of Governance shall be forwarded to the Chair of the Governing Body for investigation and response. The approach shall be as outlined above with regard to complaints against the Governing Body and individual Governors.

9. DIRECTOR OF GOVERNANCE'S RESPONSIBILITIES WHERE GOVERNORS ACT BEYOND THEIR POWERS

There may be occasions when the Director of Governance feels their advice is being disregarded or overruled, and the Board is acting inappropriately or beyond its powers. The Director of Governance should, in the first instance, make every effort to resolve the matter through the avenues available to them within the College. The Director of Governance may take some or all of the following steps:

- a. Ensure that the reasons for concern have been put in writing and sent by the Director of Governance to the Chair and the Principal
- b. Ensure the Chair of the Audit Committee has been informed of those issues relevant to the Committee's terms of reference
- c. Report the matter to the next meeting of the Board and ensure the matter is placed in the publicly available minutes
- d. Consult the College's external auditors.

The Director of Governance is authorised to obtain initial legal advice on such issues without the agreement of the College management or the Board. In such a case the Board may decide to obtain further legal advice.

If no action results from the preceding sequence of actions and if the grounds for concern still present a threat to the proper governance of the College in their judgement, the Director of Governance is authorised to refer the matter to the Funding Agency, and inform the Chairman and the Principal that this has been done.

The Board accepts the advice in the Financial Memorandum that action within the above specified procedures should not provide grounds for disciplinary action against or dismissal of the Director of Governance.

10. AUTHENTICATION OF DOCUMENTS – COMMON SEAL

10.1 The Common Seal of the Corporation must be kept in a safe place at the College and must be secured by a lock, the key to which will be kept in accordance with arrangements approved by the Director of Governance. The Director of Governance will authorise the affixing of the Common Seal to any document which requires to be sealed for the transaction of the business of the Corporation. The application of the Seal shall be authenticated by the signature of the Chair (or in their absence a Vice-Chair), together with that of any other Member.

10.2 Any entry of the Sealing of every Order, Deed, or other document to which the Common Seal of the Corporation has been affixed, must be recorded in a Seal Register maintained by the Director of Governance for that purpose.

10.3 Signing of Documents

The Principal is authorised to sign on behalf of the Corporation, where appropriate, any letter, agreement or contract within the Principal's authority as defined

11. VARIATION OF STANDING ORDERS

These Standing Orders may be waived for exceptional reasons, only by a Resolution of the Corporation, which shall require that decision to be recorded in the Minutes.

12. AMENDMENTS TO STANDING ORDERS

12.1 The Director of Governance shall review this document at least bi-annually and recommend to the Governing Body, through the Search and Governance Committee amendments necessary to meet changed circumstances.

12.2 Individual Governors may suggest changes to the Director of Governance. Any points raised shall be incorporated in the next review.

12.3 Any amendments to the text of this document shall only be made with the approval of the Governing Body unless they are covered directly or indirectly by statute, in which case such changes shall take effect immediately.

Approved by the Governing Body at its meeting on 5 December 2001.

1 Overview

The Governing Body decided at its meeting of 4 July 2012 to work towards adopting a removal policy for Members of the Corporation in recognition of the implications of the 2011 Education Act. This includes provision for suspending a member as set out in 9(3) below. The Instrument of Government, updated in December 2019, makes the following provisions:

“Termination of membership

1.—(1) A member may resign from office at any time by giving notice in writing to the Clerk.

(2) If at any time the Corporation is satisfied that any member –

(a) is unfit or unable to discharge the functions of a member or that it is not in the best interests of the Corporation for the member to continue to hold office; or

(b) has been absent from meetings of the Corporation for a period longer than six consecutive months without the permission of the Corporation; or

(c) is disqualified from continuing to act as a member in accordance with clause 7 the Corporation may by notice in writing to that member remove the member from office and the office shall then be vacant.

(3) If at any time the Corporation is satisfied that it is not in the best interests of the Corporation for a member to continue in active office for any reason (including but not limited to pending the outcome of an investigation, whether internal or external) the Corporation may by notice in writing to that member suspend the member from office until further notice and, during that period of suspension, the member shall not be entitled to attend any meeting of the Corporation or its committees.

(4) Any person who is a member of the Corporation by virtue of being a member of the staff at the institution, including the Principal, shall cease to hold office upon ceasing to be a member of the staff and the office shall then be vacant.

(5) A student member shall cease to hold office—

(a) at the end of the student’s final academic year, or at such other time in the year after ceasing to be a student as the Corporation may decide; or

(b) if expelled from the institution, and the office shall then be vacant.

2 Causes For Removal

2.1 Attendance

Expectations of attendance and processes for dealing with low attendance by individual members are articulated in the Standing Orders.

2.2 Fitness Of Governor

Instrument 9 allows removal of a Governor judged to have become unfit or unable to carry out their duties and responsibilities or where it is not in the best interests of the Corporation for a member to continue to hold office. Instrument 9 also allows suspension of a Governor in such circumstances. In such cases, this Policy will be followed in any case unless the Governor elects to resign.

2.3 Breach of the Code of Conduct

All members, by acceptance of the role of Governor, are automatically bound by the terms of the Code of Conduct. Any question, regardless of its source, as to whether or not a governor may be in breach of the Code of Conduct must be referred to the Clerk. The Clerk may raise this with the Chair of the Governing Body. In such cases, this Policy will be followed in any case unless the Governor elects to resign.

2.4 Other Causes

The above list is for guidance only. Other lawful causes for removal may apply. In such cases, this Policy will be followed in any case unless the Governor elects to resign.

2.5 Automatic Removal

Instrument 9 highlights several situations in which removal (or termination of membership) is automatic and does not need a formal removal process.

3 The Role of The Chair of Governors

The Governing Body recognises that all members are volunteers with other responsibilities and that there will be times where individuals' attendance may vary. The Governing Body also recognises that some individual members make significant contributions outside formal meetings which may mitigate against variances in formal committee and board attendance. However, the role of Governor is a serious responsibility with significant impact on the wellbeing of the College and its stakeholders, who will expect Governors to perform their duties effectively and rigorously.

Any Governor can raise with the Chair of Governors concerns over the performance of another Governor. The Clerk may also raise divergences from articulated standards of attendance or behaviour. However, it is for the Chair of Governors to judge whether to make any approach to an individual Governor about an issue or issues of attendance, fitness or other area of behaviour or performance.

In the first instance, such an approach will be to explore any concerns and if appropriate, to identify routes which might lead to improvements in performance. In some circumstances, it may be appropriate for the Chair of Governors to discuss other options including whether the Governor in question is able to function effectively in the role.

At any time, the Chair of the Governing Body may wish to make a report to the Search & Governance Committee, and ask the Clerk to call a meeting of the Committee, to discuss progress and outcomes.

A formal procedure exists in the Procedure For A Meeting To Remove A Member Of the Corporation. However, where possible, the Chair of Governors will seek to avoid this outcome. Governors should be aware that there may be repercussions for any person who has been formally removed from a governor or trustee role; the Clerk can advise.

PROCEDURE FOR A MEETING TO REMOVE A MEMBER OF THE CORPORATION
Final Approval Authority Governing Body – 18 March 2020
Previous consideration Search & Governance 5 February 2020
Did the previous meeting approve/recommend for approval? Yes
Policy Responsibility: Director of Governance
Review date: Every two years - by Search & Governance in first instance
Last reviewed February 2020

To be read in conjunction with any or all of the Removal Policy, the Standing Orders, the Code of Conduct, and the Instrument & Articles.

In the first instance, the Removal Policy shall apply. At any time, the Chair of the Governing Body may wish to make a report to the Search & Governance Committee, and ask the Clerk to call a meeting of the Committee, to discuss progress and outcomes. If the Search and Governance Committee consider that there may be grounds for the removal of the governor from office, they shall instruct the Clerk to convene a special meeting of the Governing Body to consider whether the governor should be removed from office. For the avoidance of doubt, a meeting is defined in the Instrument & Articles approved in December 2019. However, where possible, the Chair of Governors will seek to avoid this outcome. Governors should be aware that there may be repercussions for any person who has been formally removed from a governor or trustee role; the Clerk can advise. At any time, the Governor can resign from their post by giving notice in writing to the Clerk.

Should a meeting be deemed necessary either by the Search and Governance Committee or the Governor in question, such meetings will be convened by the Clerk giving at least seven days' notice in writing to all parties entitled to attend the meeting. The member whose removal is being considered should be provided with written notification setting out why the Board is considering taking such action. The meeting shall be attended by members of the Board, the Clerk, and the governor. A chair shall be appointed. The Member in question has the right to be accompanied and/or represented by a person of his/her choice but this person should not be contracted to represent them in a professional capacity.

The Member shall be entitled to attend all parts of the meeting relating to whether they should be removed from office, except as follows. At the meeting, the reasons why consideration is being given to the removal of the governor shall be explained to the governor and the governor shall have the opportunity to state his/her case in full. Both the member and the Board shall have the right to examine witnesses if appropriate. The member, any representative and any witnesses will withdraw from the meeting during the final consideration whether or not the governor should be removed from office. The Clerk and the Members considering the case for removal will remain; only the Members considering the case shall vote. In either case the Clerk shall notify the member of the Board's decision in writing within fourteen days.

A member removed from office shall have no right of appeal against the Board's decision. Their membership of the Corporation will terminate immediately from the date of communication by the Clerk and as such, the member would have no right to attend any further meetings of the Governing Body or its committees. If the decision is not to remove the governor, their membership and all attendant rights and responsibilities will continue.
