

LEVEL 3 CERTIFICATE IN

PRINCIPLES OF END OF LIFE CARE

The End of Life Level 3 course will provide learners with in-depth knowledge and understanding of end of life care.

As a learner, you will explore common questions and themes associated with end of life care, as well learning about a range of possible approaches to support individuals at this time in their life. This qualification will provide you with information on how to support a person's spiritual, social and emotional needs and will prepare you to confront issues of death and bereavement within your role.

The course is made up of five manageable units:

- Understanding end of life care
- Communication during end of life care
- Assessment and care planning in end of life care
- Person-centred approaches to end of life care
- Care during the final hours of life and bereavement care

Mode of Study:

Online Distance Learning

Level: 3

Duration: 20 weeks

Awarding/validation body:

NCFE Cache

DISTANCE LEARNING
