

LEVEL 3 CERTIFICATE IN

PRINCIPLES OF END OF LIFE CARE

The End of Life Level 3 course will provide learners with in-depth knowledge and understanding of end of life care.

As a learner, you will explore common questions and themes associated with end of life care, as well learning about a range of possible approaches to support individuals at this time in their life. This qualification will provide you with information on how to support a person's spiritual, social and emotional needs and will prepare you to confront issues of death and bereavement within your role.

The course is made up of five manageable units:

- Understanding end of life care.
- Communication during end of life care.
- Assessment and care planning in end of life care.
- Person-centred approaches to end of life care.
- Care during the final hours of life and bereavement care.

Mode of Study:

Online Distance Learning

Level: 3

Duration: 20 weeks

Awarding/validation body:

NCFE Cache

DISTANCE LEARNING

**Croydon
College**

LEVEL 3 CERTIFICATE IN PRINCIPLES OF END OF LIFE CARE

Course Highlights:

- Learn from your own home, in your own time.
- Access to award-winning learning and assessment materials.
- One to one Tutor support available.
- Achieve a nationally recognised level 3 qualification.

Career Opportunities & Further Studies

Successful completion of this qualification will help to support progression into and within a number of job roles within the health and social care sector. Examples of these could be:

- Personal Care Assistant
- Senior Healthcare Assistant
- Palliative Care Assistant

Further Study could include:

Level 3 Certificate in Understanding the Principles of Dementia Care

Level 3 Certificate in Understanding Mental Health

Assessment:

You will be assessed throughout your study by a series of assessment questions which are built into the course. Your answers are automatically saved and are available for you to revise and edit at any point before submission. You submit your assessment answers to your Tutor for marking, who will give you feedback on each question.

Entry Requirements:

All applicants will be required to take an English and Mathematics assessment, regardless of previous qualifications. You must achieve a Level 2 in English and at least Level 1 Mathematics to be accepted on this course. You can check your ability by contacting our Admissions team on: **020 8760 5934** or email admissions@croydon.ac.uk

Financial Eligibility:
