

## **CROYDON COLLEGE CORPORATION**

### **Annual Remuneration Report for 2021/22**

The Corporation of Croydon College adopted the Association of Colleges' Senior Staff Remuneration Code at its meeting in December 2019. In accordance with the Code, the College publishes an annual statement on the remuneration of its senior post holders (SPHs).

SPHs are appointed by the Board of Governors. The College's current SPHs are the Principal and Chief Executive (Caireen Mitchell) and the Vice-Principal Finance and Resources (Ann-Christine Harland).

### **Remuneration Policy**

SPH remuneration aims to recruit, retain and reward highly talented and effective SPHs in order to deliver the College's strategy and to achieve the best outcomes for students while ensuring effective use of resources.

SPHs receive an annual salary and their contracts include an option for an annual performance related pay (PRP) bonus, up to a specified maximum percentage of their annual salary.

PRP takes the form of a non-consolidated bonus, awarded subject to meeting an Executive Team wide financial target and targets specific to each role. Performance targets are linked to the achievement of the College's five year strategy and performance related pay is only awarded if the Executive Team as a whole has achieved its financial target.

The base salary for SPHs is reviewed in the summer/early Autumn of each year, with a recommendation being presented to the Board at its October meeting. SPH performance targets for the following academic year are set at the summer/early Autumn meeting and approved by the Board in October of each year.

The Remuneration Committee reviews SPHs' performance against their targets for the previous academic year in November and makes a recommendation re the award of performance related pay for the year in question to the Board in December of each year.

Both SPHs are members of the Local Government Pension Scheme and the College pays contributions for them into the College's Healthcare Scheme.

### **Remuneration Committee**

The Corporation has established a Remuneration Committee made up of external governors and supported by the Director of Governance/Clerk to the Corporation. The members of the Remuneration Committee were as follows during 2021/22.

- Catherine Boyd Maunsell - **Committee Chair**
- Tony Stevenson (Chair of the Board)
- Nasim Jivani-Hemani
- Frederick Law

The Committee met on two occasions in 2021/22 on 15 September 2021 and 24 November 2021. The summer 2022 meeting was delayed until 5 October 2022.

The Committee has responsibility for reviewing the remuneration and performance of the College's SPHs and making recommendations to the Board of Governors. The Committee's terms of reference are appended to this report.

Agency staff have been excluded from the total remuneration because the College does not record amounts paid to agencies for agency staff in a manner which allows the inclusion of individual agency staff in the calculation of pay ratios. In addition, casual staff have been excluded due to the difficulty in assigning a full-time equivalent value to these flexible employees.

The Principal and CEO reports to the Chair of the Corporation. The base salary for the Principal and CEO and the Vice Principal Finance and Resources (who reports to the Principal and CEO) are subject to annual review by the Corporation, who use benchmarking information to provide objective guidance. SPHs' base salary was reviewed by the Remuneration Committee in September 2021 and the following recommendations were agreed by the Board. No change to the Principal and CEO's base salary. The Vice Principal Finance and Resources' base salary was increased by 2% from September 2021, in line with the pay increase awarded to all staff for 2021/22.

Performance related pay for the Principal and CEO and the Vice Principal Finance and Resources for achievement of their 2020/21 objectives was approved by the Corporation and paid in 2021/22. The Corporation has adopted the AoC's Senior Post Holders Remuneration Code and assesses pay for the Principal and CEO and the Vice Principal Finance and Resources in line with its principles.

### **External Appointments and Expenses**

There were no external activities undertaken by SPHs during 2021-22 for which the post holders received income.

All expenses paid to SPHs are solely in reimbursement of expenses incurred in the furtherance of the business of the college and comply with the College's Financial Regulations.

The Principal serves on the following external bodies (unremunerated) in her capacity as Principal of Croydon College: Director, Croydon Business Improvement District and is a Trustee of the Wandle Learning Trust.
