

Level 2 Certificate in **Understanding Retail Operations**

Course overview

The UK retail industry is one of the largest private sector employers, yet experiences a higher than average staff turnover at 17% across the sector. With over 60 million customers making 320 million transactions per week, there is a constant need for workers with the knowledge and understanding to continue the success of the sector.

This qualification focusses on improving various skills and knowledge in order to create a career pathway within the retail industry.
