

CINDERELLA REHEARSAL

What is this about?

Step into the spotlight and explore the magic of musical theatre with the Cinderella Rehearsal Club. This performance-based enrichment programme invites students to collaborate in a supportive, ensemble-driven environment while working towards a full-scale stage production. Participants will develop key skills in acting, singing, and dancing through guided rehearsals led by experienced theatre professionals. The programme emphasises discipline, teamwork, and creative expression, while also offering students a platform to build stage presence, confidence, and performance technique. Whether you're an aspiring West End performer or simply looking to have fun and try something new, this club welcomes all ability levels.

Location?

Croydon Campus, 4th Floor, Room F405A
